MEMORANDUM FOR THE RECORD

SUBJECT: Parking Problem, Magazine Building

25X1A

25X1A 1. On 14 August 1968 at 0945 hours, [REDACTED] and Mr. [REDACTED] met with Mr. Sam Magazine at 1730 K Street, N. W., Washington, D. C. Mr. Magazine is the owner of the building assigned to the Agency by GSA which is located at 1815 North Lynn Street, Rosslyn, Virginia. The principal occupant of the Magazine Building is the Office of Basic and Geographic Intelligence, DD/I. The purpose of the meeting was to acquaint Mr. Magazine with the employee parking problems in Rosslyn, the Magazine Building in particular, and to explore the possibility of lowering or, at the very least, stabilizing parking costs for Agency employees in the Magazine Building.

2. Mr. Magazine was advised of the employees' general discontent with the upward trend in parking costs and the fact that the Magazine Building had increased its parking fees from the original cost of \$15 per month to \$20 to the current rate of \$25 in the relatively short period of time that the Agency has occupied the building.

3. Mr. Magazine volunteered that he was not aware that employees were paying \$25 per month but that he would look into the situation. He stated that he contracted the total parking to Total Services Corporation in order to avoid the troubles he had been having with the employees, such as not being able to collect, inability to contact employees, and general lack of control over the parking situation. He immediately attempted to contact Mr. John Slye, president of Total Services Corporation, to ascertain his reasons for the price increase but was unable to reach him. He left a message for Mr. Slye to return his call.

4. Mr. Magazine made a passing comment indicating mild interest in the possibility of a price decrease if complete parking management were assumed and controlled by the Agency. He stated that his contract with Total Services Corporation could be cancelled upon giving 30 days notice. (Note: The possibility of having the Agency per se lease, manage, and control parking in the Rosslyn area had previously been explored by the several ad hoc committees on employee parking.)

5. In closing this discussion it was left that Mr. Magazine would contact [REDACTED] within a few days and advise as to his findings and decisions regarding parking at the Magazine Building.

6. As a followup to our 14 August meeting with Mr. Magazine, we called him on 15 August and again on 16 August, and he advised as follows:

Mr. Magazine had a meeting with Mr. John Slye on this subject and is completely satisfied that the amounts charged for parking are reasonable and in line with what might be considered a proper profit under the terms of his contract. He sees no reason for decreasing the rates or making any change in his present relationship with Total Services Corporation.
